

DTSS PAC Agenda

April 9, 2025

Attendees: Jenn, Chenoa, Christine, Brandy, Heather, Ashley

Start Time: 7:09

Land Acknowledgement

February minutes approval: Christine motioned; Brandy seconded

Teacher Report: N/A

Administrative Report:

- District calendar 2025-2026 is available; non-instruction days within school year, rather than before school starts. Discussion that it's preferred to have days grouped, rather than split up over 2 weeks or so, for example the one in September (would like to track for next year). Also, 2 days in June will impact grad dates.
- Planning for next year schedule. Junior courses as exploration courses; switched to shorter more intense options, every day, 8 courses over the 50 hours instead of the 4 courses currently. Exposure to a greater variety.
- Equestrian course approved (as per discussion in February meeting)

Treasure's Report: Gaming account balance \$13,019.21.

DPAC: first meeting last night. Katrina is the lead for now. AGM on Tuesday May 13th at 6pm. There doesn't seem much interest in joining the executive.

New Business- Funding Requests:

Matt Lebourdais – Banners (\$488 for 4 banners). Christine motioned to put into miscellaneous section of the budget; Chenoa seconded; all in favour.

Grad Requests:

- cap and gowns \$2400. Will table for next meeting.
- Grad 2026 committee, through Chenoa, has requested the PAC to obtain a lottery license. They would like to do 50/50 draws in June and July during the music concerts.
